MEDICAID COMMUNICATION NO. 94-14

DATE: October 5, 1994

TO: County Welfare Agency Directors
IEVS Security Liaisons
ISS Area Supervisors

SUBJECT: IRS/IEVS Annual Run

As you may be aware, the monthly and annual IRS matches involving 1992 Tax Year data have not been processed and no output relating to that data has been forwarded to your agency. This is to advise you that the programming changes which were required to accommodate the revised IRS tax data format have been completed and IEVS processing of IRS component matches will resume. In order to comply with federal requirements, the monthly IRS runs for the period April 1993 through June 1994 have now been combined and processed. The Annual Run will not resume until November 1994.

As a result, all individuals who have been added to the Medicaid Eligibility File during the period April 1993 through June 1994 will be matched against Tax Year 1992. The matched records will be forwarded to you early in October for investigation and disposition. Monthly matches for the subsequent periods will resume and you can expect to receive this match data shortly thereafter.

The IRS/IEVS Annual Run for Tax Year 1993, which is scheduled for November 1994 is expected to take place as planned. You can anticipate the receipt of IEVS data for this match sometime in January, 1995. We apologize for any inconvenience or confusion that this interim change in procedure may create for your staff.

Any questions concerning this information should be directed to Ginni Elmer of the Division's Office of Information Systems at (609) 588-2762. Your cooperation in this matter is appreciated.

Sincerely,

Velvet G. Miller
Director
